WITH WIRELAND YOU CAN ACHIEVE MORE

Wireland has 55 years of experience in metal industry.

We have also our own joinery in house.

We offer shop equipment, display stands and bin shelters.

Our company specializes in cutting, bending and welding of wire, steel sheet and tubes.

We provide high quality, durability for years and uniqueness.

Wireland guarantees innovative solutions, professional assistance and end-to-end service.

We take an individual approach to every order, adapting our work to the needs and requirements of the customer.
